

SEX EDUCATION AWARENESS APP

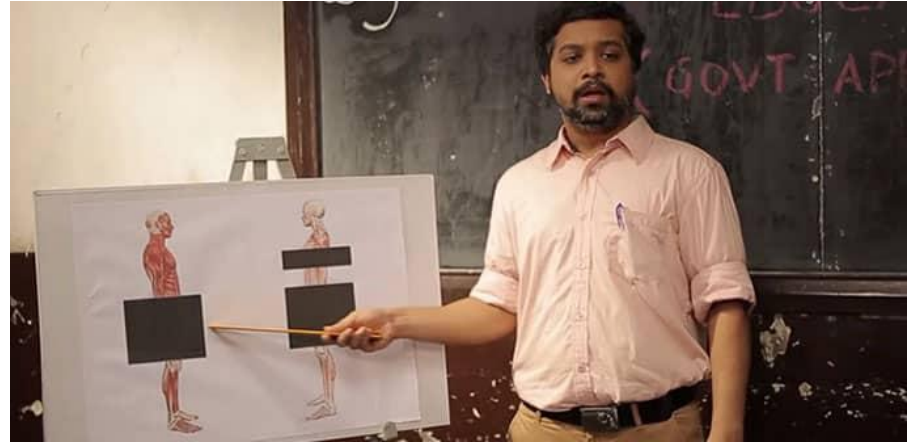

(HEALTHCARE AND MEDICATION)

By: DATA PyRATES

FEATURES

CREATING AWARENESS, EDUCATING INDIA

The main purpose of this app is to spread awareness and educate the people of India, where sex is considered as a taboo.

10+ APP

The app will be designed for people of 10+ age. This is because girls and boys hit puberty around age 11-12 and that's when they are most curious.

IN-CASE OF DOUBTS RECOMMEND BOOKS / EXPERTS / SITES

This app will provide a way to record user's specific doubts and recommend resources like books and websites.

FAQs

The app will provide a portal for frequently asked questions.

NUTRITION ADVICE

Nutrition plays a big role in your sexual health hence the app will also provide nutrition advice to improve your sexual health.
